FWD: PRESS RELEASE INFORMATION

The Jersey Journal  
Front Desk Editor

I like to send this letter to thank your Department of Parks, and Department of Public Works for the opportunity to create "The Peak" at Leonard Gordon Park. Inspired by the Western Slope backdrop, creating a traditional American Indian Totem Pole at this location has proven to be both inspiring and symbolic of American culture.

Together with the Neighborhood Communities and the Leonard Gordon Park Conservancy, we like to invite your office for the dedication of this art sculpture on October 15th, 12pm. The Western Slope Neighborhood Yard Sale will be from 10am-5pm with tables for \$20.00 available with [lgpconservancy@gmail.com](mailto:lgpconservancy@gmail.com). Supportive art display, as well as, voter registration for the October 18th deadline will be available.
